The Hon Secretary of State,

ARREST AND RELEASE OF PRO LTTE DEMONSTRATORS WHO STAGED A PROTEST ON SRI LANKAN PRIME MINISTERS'S VISIT TO OXFORD.

We write to thank the officials who acted quickly in arresting the pro LTTE/Terrorist supporters who staged the above protest. While the legal procedure was applied in the arrest we felt dismayed when they were released later even they committed a criminal act.

The UK banned the LTTE a,k,a Tamil Tigers in Feb 2001. Then the Home Secretary, Jack Straw making the announcement of the ban stated that he was satisfied that the LTTE was involved in terrorism. The law gives the authority to the Police to seize assets and arrest those who use violence to advance the LTTE's political cause.

We are amazed at the speed at which these LTTE flag carrying demonstrators were treated with kid gloves and are tolerated by the law making agencies when they attempt to promote their terrorist agenda, The LTTE or their fronts have never claimed that they are following democratic steps and had given up their terrorism.

The public demonstrations are only the tip of the iceberg as they and their cadres keep on raising funds to create terrorism in Sri Lanka which enjoys friendly diplomatic relationship with the UK for many long years.

We invite your attention to the issues discussed above.
