A very Merry Christmas and a Happy New Year on behalf of all Eelam Tamil here in the UK. Like the old Tamil saying that 'a healthy life is a wealthy life', we wish from the bottom of our hearts that you and your loved ones will see the world come together to beat the menace of Covid 19 and spend 2021 full of joy and happiness.

We also humbly ask that you lend your support to the Tamil people who have sought refuge in this country from the genocidal Sri Lankan regime, and by recognising our just struggle for our legitimate rights, aid the calls for an international independent probe into injustices committed on our people.

Once again, a Merry Christmas and a Happy New Year from all Eelam Tamils. Thank you.
